

# PRICAI2026

The 23<sup>rd</sup> Pacific Rim International  
Conference on Artificial Intelligence  
17-20 Nov 2026

## Call for Workshops

The 23<sup>rd</sup> Pacific Rim International Conference on Artificial Intelligence (PRICAI 2026) will be held in Guangzhou, China. The conference organisers invite proposals for workshops in all areas of Artificial Intelligence. The workshop sessions can cover established topics in AI as well as emerging subfields.

### Workshop Proposal Submission

Workshop Proposals should contain:

- A title and a brief (2-page max) description of the workshop topic.
- Organizers' names, emails, URLs, and brief CVs.
- Desired workshop length (full day or half day), and estimate of attendees.
- Preliminary workshop format, plan for promotion and organization.
- Submit as a single PDF file to [pricai26\\_workshop@126.com](mailto:pricai26_workshop@126.com)
- Template available at this [link](#).

### Workshop Organizer's Responsibilities

- Create and promote the workshop website.
- Collect and evaluate submissions, notify authors timely, and ensure a fair selection process.
- Coordinate the workshop schedule with the local organizers.
- Organize and chair the workshop sessions.

### Workshop Co-Chairs

Chenyoun Fan, South China Normal University, China

Xiaolin Xiao, South China Normal University, China

Qian Li, Curtin University, Australia

Weihua Li, Auckland University of Technology, New Zealand
